PUBLIC CIRCULATING LIBRARY.

HAVING long felt the need of a PUBLIC CIRCULATING LIBRARY in Hongkong,
I have determined, should a sufficient number Volunteer to Subscribe to it, to
form a Library on the same basis as Circulating Libraries are formed in England, and
from my Experience in such matters in England, I feel certain that I can form and
conduct a Library satisfactorily to all. My Experience in the East Teaches me that the
principal demand would be for LIGHT LITERATURE, and the Ordinary 3-Volume
English Novels would therefore preponderate the same time Works of any interest on
Science, Biography and Travel would find a place on the Library Shelves.

THE SUBSCRIPTION WOULD BE PER ANNUM FOR A SINGLE
SET BOOKS.

Willing Subscribers will kindly send their Names as early as possible in order
that some estimate might be formed of the probable success of the Scheme.

HONGKONG AND WHAMPOA DOCK
COMPANY, LIMITED.

HONGKONG FLOWER AND POULTRY SHOW.

Committee—Messrs. J. M. Armstrong (Chairman), W. M. B. Arthur, C. P. Chater, J. H. Cox, H. Dickie, E. George, Ho Amel, J. H. Holmes, W. K. Hughes, A. G. Romano, A. E. Vaucher, E. L. Woodin, J. M. Armstrong (Honorary Treasurer), C. Ford (Honorary Secretary).

Judges—Plants and Flowers, Messrs. Theo. Sampson and H. P. Tennant; Vegetables, A. E. Vaucher and E. George; Poultry, H. G. James and W. M. Morgan.

The annual Flower and Poultry Shows were continued this afternoon in the Public Gardens. Up to the time we left, but very few Europeans had put in an appearance, the visitors being mainly composed of Chinese of both sexes, and about half past two the children of the Basil Mission School, headed by their master, trooped into the gardens, and were marched in double file round the Show several times. By four o'clock a large crowd of foreigners will no doubt have assembled to view the Show, as well as to listen to the inspiring strains of the Band of the Buffs, which arrived, just as we left, in charge of their able leader, Mr. H. Quinn. Returning from the Show, we met the children of the Berlin Foundling Hospital, in charge of their Mistress, en route for the gardens to enjoy the sights and the music, the little ones faces being radiant with joy at the anticipated treat.

CORRESPONDENCE.

SMALLPOX.

TO THE EDITOR OF THE "HONGKONG TELEGRAPH." SIR, I have noticed for some time past a certain man, walking about the colony, and visiting clubs, messes, and other places of public resort, whose house is at present infected with smallpox. This person has on this account been forbidden to enter within Her Majesty's Naval Yard for the past six weeks, yet it appears that he is allowed to carry what may prove a very serious infection to public places in this colony without check or hindrance. This is surely not ought to be. Who are responsible for the prevention of what looks like spreading broadcast an admittedly fearful disease?

I am, Yours faithfully,
CLEANLINESS.
Hongkong, February 16th, 1883.

NEWS BY THE ENGLISH MAIL.
The P. & O. S. N. Co's steamer *Bokhara*, Captain H. T. Weighell, with the London mails of the 12th ulto, arrived in harbour this morning. The subjoined items of general intelligence appear in the *London and China Express* of January 12th:—

Dr. Macartney, C.M.G., the Secretary of the Chinese Legation, has returned to Paris from London.

The *s.s. Scotia*, with the new cable to be laid by the Eastern Extension Australasia and China Telegraph Company between Hongkong, Foochow, and Shanghai, left England on the 31st ult.

Telegrams from Washington report that the Senate has ratified the treaty between the United States and Korea. The details are not, however, published.

In another portion of this issue our readers will observe a further contribution to the series of "Chinese Jottings" that have appeared in our columns.

The captain of the port at Carthage has been dismissed from his official position by the Spanish authorities in consequence of his treatment of Captain Neate, of the steamer *Tangier*.

The body of a Chinaman has been found upon the North Woolwich branch of the Great Eastern Railway. The deceased, who was killed by being run over by a passenger train, had the appearance of a sailor.

Major Thomas Sidney St. Clair, 1st Battalion Berkshire Regiment, has taken up the duties of Garrison Instructor at Alexandria. He was brigadier-major at Hong Kong from 1876 to 1881, served as brigade-major under General Colborne in the "Kia" Expedition of 1876. He has the medal with clasp for Perak, and the Egyptian war medal.

A statement has been made public that M. de Lesseps had transferred the concession of the

King of Siam for a canal across the Peninsula of Malacca, usually termed the Kraw Canal scheme, to the Suez Canal Company. We can only repeat the statement we have previously made, that there has absolutely no concession been granted, either to M. Deloncle or Mr. de Lesseps, and that consequently it cannot be transferred.

Several torpedo-boats built for the Chinese Government by the "Vulcan" Company, Stettin, were taken out into the Half last week to undergo speed trials. The speeds obtained averaged about 14½ knots per hour, which was considered satisfactory; but the boats were found to be unseaworthy in a high degree, as several of them were in danger of being swamped, though the Half is only an inland lake.

A rumour was recently circulated in Vienna, and from thence forwarded to London, that M. Thoul was to succeed the Marquis Tsing as Minister of China to the French Republic, but we believe there is no truth whatever in the report. It seems possible that it originated in a proposition made some time ago to send M. to Annam, with the object of seeing whether an arrangement could not be arrived at with the French as to Tong King.

Captain William Elrington Gordon, R.N., who has been awarded a good-service pension, entered the service in 1844. In April, 1857, he was appointed to the *Albatross*, Commander Trollope, and in her to China, and in February, 1858, was appointed first lieutenant of the *Sampson*, serving with her in the operations of 1858 against the Chinese (medal with clasp). In 1860 he was made first lieutenant of the *Imperieuse*, flagship of Sir James Hope, in the China Seas, and in 1861 was promoted commander.

Several ships on the China Station will have completed their three years' commission in 1883:—*The Flying Fish* in April; *Cleopatra*, in August; *Zephyr*, in October; and *Champion*, in December. The *Curacao*, *Albatross*, and *Pegasus*, whose three years' commission expires also in 1883, will be recommissioned on their respective stations in March. The men-of-war whose three years' commission expired in 1882, and whose reliefs have not been despatched from home, are the *Sheldrake* and *Moorhen*. The *Star* and *Cochet* will relieve these vessels upon their arrival at the station.

The subjoined naval appointments to the China Station are gazetted:—Lieutenants: James Erskine, to *Champion*, vice William De Salis; Robert B. S. Wrey to *Curacao*, Edward H. Gamble and Henry R. Robinson to *Esper*; Henry Lake to *Star*; Walter O. Thurburn to *Sheldrake*; Sub-Lieutenants: Hugh B. Barton to *Esper*; Frederick J. C. Norman to *Star*; G. H. B. Mundy and Henry W. Sharp to *Cochet*; Paymaster: Abraham Turner to *Vigilant*; Engineer: John Fawcett to *Esper*; Surgeon: C. H. Wheeler to *Esper*; Assistant-Paymaster: V. H. W. Markham to *Esper*.
